NEXT CENTURY

2010 MANITOBA CONSTRUCTION CAREER EXPO

January 2010

Dear Guidance Councillors,

Encourage your Grade 9, 10, and 11 students to explore their future in skilled trades at the second annual MANITOBA CONSTRUCTION CAREER EXPO! Held at the Red River Exhibition Park on Tuesday, May 11, 2010, this exciting, interactive event will feature a wide-variety of careers and skilled trade opportunities available in construction.

The Expo will include everything from hands-on demonstrations in masonry, carpentry, roofing, concrete finishing, and painting, to displays featuring the biggest and best in construction equipment and transportation. Students will have a chance to interact with skilled journeypeople and apprentices and learn more about Manitoba's current construction industry from leading construction companies and trade associations.

SPACE IS LIMITED! We're looking to engage students who are curious about a career in construction and interested in learning more about skilled trade apprenticeships and occupations.

We want to make it easy for you and your students to attend the 2010 MANITOBA CONSTRUCTION CAREER EXPO. So, with your registration, the Winnipeg Construction Association will provide:

- A food token for lunch at the event for students and teachers.
- Busing reimbursement to and from the event within a 30 km radius of your school.
- Reimbursement to cover the cost of substitute teachers.

PLUS, students who participate in the event will be eligible to win fantastic prizes!

With Manitoba's construction climate creating a wealth of career opportunities, **NOW IS THE TIME** to introduce your students to the variety of skilled trade occupations!

To register your school to attend the 2010 MANITOBA CONSTRUCTION CAREER EXPO, please complete the enclosed registration form and fax it to **(204) 783-6446** by April 9, 2010. Space is limited! For more information, please contact me at the number or e-mail address below.

Help your students build their futures!

Sincerely,

Mitch Calvert
Communications Coordinator
Winnipeg Construction Association
